

LewerMark Ancillary Services

These services are built on the foundation of meaningful and convenient access to basic health care, including mental health. From routine health checkups to accessible urgent care, we strive to exist at the intersection of price and quality, providing value to your students.

togetherall - Online Community Support

The Togetherall Online Community is designed to provide a safe and anonymous place for students to get online peer support. Registered mental health practitioners are on hand 24/7 to keep the community safe. Students can access the Togetherall community at no cost.

TELUS[®] Health - Student Support

This program is designed to support international students, in their native language and cultural context, helping them resolve mental and physical health concerns and cultural shock, adapt to life in the U.S., and much more. Students can call or chat for mental health counseling 24/7 with no limit.

TELADOC[™] - 24/7 Telehealth

Teladoc provides students 24/7/365 access to U.S. board-certified doctors by phone. Teladoc doctors can diagnose, recommend treatment and prescribe medication, when appropriate, for many medical issues. Students can access Teladoc at no cost.
